

In Memoriam.

Miss Erma Hubbard, who died this life Aug. 28, 1913, born June 12, 1896, and was years, 2 months and 16 days. She was sick only two weeks, her suffering was severe, but bore it without a murmur. She joined the M. E. Church 6 years ago; was a devoted Christian and loved by all who knew her. She always had a kind word and a smile for every one.

We cannot see her sweet smile in our earth, but if we live as Christians, we will meet her in the golden shore where parting is no more. Erma was one of our best singers. Oh! she sang sweetly, but if we could hear her sing now it would be different from her songs on earth, as she sang songs angelic now. We pray for her, dear ones, for we could speak, she would say to her papa, mama, kin-people friends: "Weep not for me. I would not come back to that old, gloomy world if I could." We will miss her so much, but loss is her eternal gain—oh, to gain to die in the Lord. As said in this writing, we will miss Erma in the choir, oh, so much, and we will miss her in the community, but the loved ones will miss her worst of all. The home circle has been left a vacant chair at the side, but dear ones, just what a happy change it is to all those who die in the Lord, we do believe that Erma did. Jesus when she left this world of sickness, sorrow, pain and death. Let us live here so that when we leave this world we can go home to heaven, and we will meet Erma and all our loved ones, where parting is no more and where all are dried and all is happiness and joy with the holy angels.

Erma was laid to rest in Mt. Watauga cemetery, the funeral services being conducted by Revs. George Gragg and Edgar Tufts. A large crowd of relatives and friends were present to pay their respects to Erma. Her grave was literally covered with beautiful flowers.

This writer has known deceased since she was a babe in her mother's arms. Her mother when she was only three years old, but she leaves a large number of relative and friends to mourn her loss. Dear ones, have my heart-felt sympathy, as I have many dear to my heart gone on before, and by the power of God I am going to try to meet them over on that celestial shore.

Yours in love,

C. M. CARENDER.

A vast amount of ill health is due to impaired digestion. When the stomach fails to perform its function properly the whole system becomes deranged. A few doses of Chamberlain's Tablets is all you need. They will strengthen your digestion, invigorate your liver, regulate your bowels, entirely rid you of that miserable feeling due to faulty digestion. Try it. Many others have been permanently cured—why not you? For sale by dealers.

Generally when a woman thinks she looks artistic she looks as if she ought to comb her hair.

Sometimes the symptoms of kidney and bladder trouble are so plain that one can mistake them. Backache, weak and lame back, nervousness over the kidneys, sharp pains, rheumatism, dull headache, disturbed sleep, are all indications of a trouble that Foley Kidney Pills will relieve quickly and permanently. The Colored People and their Church Work.

In reply to an inquiry from Rev. W. C. Jones, pastor of the Methodist churches of Boone circuit, to Rev. J. A. Baxter, colored pastor of the M. E. church in Boone, asking some questions in regard to the progress of his work here, brought the following reply, in part:

"It is quite a consolation to know that you have manifested enough interest to inquire after our progress.

"The eleventh of this month marked the second month as a supply on the Boone charge. Without reference to the disparaging things, I found a membership of thirty-four—since increased to thirty-seven. The second and third weeks after my arrival were taken up with my revival; the results were very gratifying regardless of the fact that there was great room for improvement, and is yet. We had one conversion, three accessions and many reclaimed.

"The little flock now is spiritually alive and is with high spirits moving upward to success. Financially they have been quite successful. The pastor, presiding elder and superintendent have been paid up to date.

"At present clubs have been organized and are striving against each other with Herculean strength for the mastery. The 'Blues' and the 'Reds' are the contending parties. Both parties have for their cry 'Excelsior.' The prospects are that at a very early date they hope to have all benevolent funds out of the way and the contest will be turned in other directions for improvements, etc. It is our expectation to carry in a full report to the Annual Conference. Our class-meetings are inspiring for any good Methodist to be in; our prayer meetings the same, and the Sunday School is very good."

Rid Yourself of Unnecessary Burdens.

Don't bear unnecessary burdens. Burdens of a bad back are heavy. Get rid of them. Doan's Kidney Pills are for bad kidney.

For lame, weak and aching backs. Lots of grateful endorsement to prove their worth. E. M. Crouse, Airbellows, N. C. says: "For two years I was a victim of kidney complaint. There was a dull pain in the small of my back and when stooping or lifting, I was seized by sharp twinges through my loins. My back ached severely at night and in the morning I was very lame and so on. I became tired easily and was often nervous. The kidney secretions were too frequent in passage and I did not rest well. I at length learned of Doan's Kidney Pills and although I did not take more than half a box, I was greatly relieved."

For sale by all dealers. Price 50c. Foster-Millburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

Modern Medicine.

If any man in sickness squirms, the doctor comes and talks of gerin and quotes some Latin verbs, and says that he must go out doors and browse around there on all fours and eat some herbs. The doctors have such freakish cures that man by preference endures his sickness while he can; he'll nurse his bruises and his galls in solitude, while he recalls this good old fashioned plan. In olden days—alas they're sped!—the sick man could remain in bed and groan and kick with zest; the doctor came and gave him dope, and said, "You'll soon be well, I hope, but what you need is rest!" And yes my friends, in bygone time, the sawbones, with his skill sublime, would, order rest and peace; but now he teeters to your couch and says you are a lazy slouch, and orders elbow grease. "Get out of that," he sternly cries, to him who's sick, "take exercise. Go out and climb a tree! Live in a tent, sleep on the grass! Cut out the sulphur and blue mass! Get busy as can be!" I like the old time way the best; when I am sick I long for rest; I like to lie in bed, while women fan my fevered brow and ask me if I'm better now, and bring me toasted bread.—Walt Mason.
